Suggested Bequest Language

Language for a gift by bequest is simple and can be incorporated into a new will or added by a codicil (amendment) to your existing will. For legal purposes, bequests to your hospital should be directed to the hospital's Foundation. We encourage you to share the following suggested bequest language with your professional advisor:

"I give (describe dollar amount, property or proportion of the residuary estate) to the (hospital name) Foundation, a nonprofit corporation organized under the laws of the State of Hawaii, with administrative offices located at 55 Merchant Street, 26th Floor, Honolulu, Hawaii 96813. This gift is unrestricted and shall be used to support the mission of the Foundation, where ever the need is the greatest."

If you choose, you may also restrict your gift to support a particular program or department. Gifts to the hospital's general endowment fund are also always appreciated. In cases of restricted gifts, please contact us so that we may provide the appropriate language that will ensure that your intentions are carried out.

For accounting purposes, charitable bequests should be designated as follows:

Kapi`olani Health Foundation – Federal Tax ID #99-0246364
Straub Foundation – Federal Tax ID #99-0109350
Wilcox Health Foundation – Federal Tax ID #99-0204242
