

A balanced lifestyle in Hawaii

Pediatric Anesthesiologist

Seeking a full-time board eligible or board certified pediatric anesthesiologist to join four private pediatric anesthesiologists at Kapi'olani Medical Center for Women & Children. Kapi'olani is the tertiary hospital affiliated with the University of Hawaii, John A. Burns School of Medicine. Facility includes advanced laparoscopic surgical suite, PICU, NICU, emergency room and oncology program. Medical staff comprised of pediatric sub-specialists and surgeons. Oahu, Hawaii is a beautiful and safe community to raise a family with many recreational, social and cultural activities.
